WELCOME

THANK YOU FOR INVITING SPARX BAR
TO YOUR CELEBRATION

Whether you're celebrating a birthday, girls' night, bridal shower, family gathering, or simply spending time together, I'm honoured to help create an experience your guests will remember long after the last spark.

Permanent jewellery is more than choosing a chain. It's about celebrating milestones, friendships, and the moments that bring us together.

Relax, enjoy your guests, and leave the jewellery experience to me.

I'm looking forward to meeting everyone!
